

ORDINANCE NUMBER 293 , + Unnumbered  
 AN ORDINANCE AMENDING ORDINANCE NUMBER 89 , GRANTING  
 TO THE ILLINOIS BELL TELEPHONE COMPANY, ITS LESSEES,  
 SUCCESSORS AND ASSIGNS, CERTAIN RIGHTS IN THE  
 VILLAGE OF BELLEVUE, PEORIA COUNTY, ILLINOIS

BE IT ORDAINED BY THE President and Board of Trustees of the  
Village of Bellevue , Peoria  
 County, Illinois as follows:

SECTION 1. That Section 1 of Ordinance Number 89 passed on February 13,  
 1951, and approved February 13, 1951, be and hereby is amended by adding the following:

The term of this Ordinance shall be for the period of three (3) years beginning January 1, 1984, and extending to December 31, 1986, and thereafter until terminated by sixty (60) days written notice, either by the Municipality to the Company, or by the Company to the Municipality.

SECTION 2. That Section 6 of said Ordinance be and hereby is deleted in its entirety and is hereby amended to read as follows:

Section 6. So long as the Company exercises and enjoys the rights granted to it hereunder, it shall pay to the Municipality for each Access Line that the Company maintains and operates within the Municipality: \$0.256 per Access Line per month for the calendar year 1984, retroactive to January 1, 1984; \$0.288 per Access Line per month for the calendar year 1985; and \$0.320 per Access Line per month for the calendar year 1986 (hereinafter "Access Line Value"); provided, however, that the amount paid in such years shall not be less than the payment that the Municipality is entitled to or has received under a prior Interim Agreement dated December 30, 1983 for the period commencing January 1, 1984, nor in any event shall the payments be less than the amounts the Municipality received either in cash or value of services rendered for the calendar year 1983. The Company shall make said payments on a monthly basis, due the last day of the succeeding calendar month. "Access Line" as used in this Section shall mean "the connecting facility between a customer's premises and the Company's serving central office that provides customer access to the dial network for placing and receiving calls." "Within the Municipality" means within the corporate boundaries of the city, village or incorporated town named in this Ordinance as recorded with the appropriate county recorder and as provided to the Company. Municipality agrees to notify the Company of any ordinances annexing to or disconnecting from such corporate boundaries and agrees to provide to the Company an accurate map of such changes showing, if available, street name and number detail.

The Access Line Values specified in this Section are based upon aggregate franchise payments by the Company to all Illinois municipalities (except Chicago) within the Company's operating area (hereinafter "Illinois Municipalities") of \$8.0 million for the calendar year 1984, \$9 million for the calendar year 1985 and \$10 million for the calendar year 1986 (hereinafter "Agreed Franchise Payments"). If the Company's actual annual franchise payments to all Illinois Municipalities, whether paid or accrued, differ from said Agreed Franchise Payments, such difference in amount shall be adjusted in January of the succeeding year. Such difference in amount shall be divided by the number of the Company's Access Lines within all Illinois Municipalities in such month and then either added to or deducted from the Access Line Value for said month of January. Thereafter, the Access Line value specified in the first paragraph of this Section shall be used for each succeeding month in such calendar year.

Company shall, within forty-five (45) days of the effective date of this Ordinance, make an appropriate adjustment between payments to which Municipality is entitled under this Ordinance and payment that Municipality is entitled to or has received under a prior Interim Agreement dated December 30, 1983 for the period commencing January 1, 1984.
