**Chairman Johnson-** So, if you have any questions, or complaints, or suggestions, of what we need them to do to improve our service, now is the time to speak up.

Discussion topics as follows; need officer more, range of Bellevue, amount of time given, specific hours needed, licensed and non-licensed motorized vehicle, lawnmowers, dirt bikes, golf carts, usage, school hours, possibility of hour changes as needed, direction of tickets given, specific repeated problems, issues, specific areas of concern, percentage of money for tickets issued back to village, new E-Citation tickets

**Chairman Johnson-** Went on to say he was not happy with increase from 2.25% to 2.75%. Budgeted for 4 years at 2.25%, same contract just increases, which is significantly hurting the village in cost. Village Board members need to go to County Board meetings. Attorney Lane, will inform Chairman Johnson, on how to make Rich, Zoning officer, a private processor. Tim Menefee, does not want rezoning, only wants to paint guns. No special use permits in our zoning for commercial use. Village understands what he is doing, has been operating currently as prior. Does village want letter sent acknowledging current process, and will not actively prohibit him from painting guns. Marginal tax, no affect to village one way or other.
